MUEBLES DE BAÑO
BATHROOM FURNITURE
MEUBLES DE BAINS

From Shoes to “Wooden Shoes”

In 1985, **Don José Martínez Macía** left the footwear industry to bring a new dream to life: crafting bathroom furniture. Together with his children, he transformed leather into wood, maintaining the same dedication to detail, quality, and craftsmanship.

In **1995**, we consolidated the **IBX brand**, blending tradition with innovation to create something unique. Today, three generations continue building this legacy, staying true to the values that brought us here.

Challenges have made us stronger. With passion and dedication, we keep designing **bathroom furniture that, like a well-fitted shoe, seamlessly adapts to any space**. We create versatile collections, combining quality, functionality, and design to turn every bathroom into a unique, practical, and character-filled space.

Des chaussures aux “chaussures en bois”

En 1985, **Don José Martínez Macía** a quitté le monde de la chaussure pour donner vie à un nouveau rêve : la fabrication de meubles de salle de bain. Avec ses enfants, il a transformé le cuir en bois, tout en conservant la même exigence du détail, de la qualité et du savoir-faire.

En **1995**, nous avons consolidé la marque **IBX**, alliant tradition et innovation pour créer quelque chose d’unique. Aujourd’hui, trois générations continuent de bâtir cet héritage, en préservant les valeurs qui nous ont menés jusqu’ici.

Les défis nous ont rendus plus forts. Avec passion et engagement, nous concevons des meubles de salle de bain qui, à l’image d’un soulier bien ajusté, s’intègrent parfaitement à chaque espace. Nous créons des collections polyvalentes, alliant qualité, fonctionnalité et design, pour transformer chaque salle de bain en un lieu unique, pratique et plein de personnalité.

De los zapatos al “zapato de madera”

En 1985, **Don José Martínez Macía** dejó atrás el calzado para dar forma a un nuevo sueño: la fabricación de muebles de baño. Junto a sus hijos, convirtió la piel en madera, con la misma dedicación al detalle, la calidad y el buen hacer.

En 1995, consolidamos la marca **IBX**, uniendo tradición e innovación para crear algo único. Hoy, tres generaciones siguen construyendo este legado, manteniendo vivos los valores que nos han llevado hasta aquí.

Los desafíos nos han hecho más fuertes. Con pasión y compromiso, seguimos diseñando **muebles de baño que, como un buen zapato, encajan a la perfección en cualquier espacio**. Creamos colecciones versátiles que combinan calidad, funcionalidad y diseño, ofreciendo soluciones que transforman cada baño en un lugar único, práctico y lleno de personalidad.
